NEW COM 'C' MOUNTS FOR SUBARU

Whiteline are pleased to announce the release of the **COM 'C'** front upper strut mounts for the majority of Subaru models. The **COM 'C'** is a NO COMPROMISE strut mount replacement that offers desirable camber and caster gains with out sacrificing the ride quality or ride height of your Subaru.

The **COM 'C'** strut mount's can be rotated 120 degrees to achieve different caster gains of up to +0 deg 45min and negative camber gains of up to -1 deg 30 min

What's even better is the **COM 'C'** strut mount kit is very affordable. For more information contact you nearest Whiteline dealer or visit the website @ www.whiteline.com.au
